

FROM SMALL MAINTENANCE AND REPAIR WORKS TO SIGNIFICANT NEW BUILD PROJECTS IN THE COMMERCIAL, INDUSTRIAL, GOVERNMENT, RETAIL, TRANSPORT AND BANKING/SECURITY SECTORS - THE COMPLETE 'IN HOUSE' SOLUTION - BELFRY BUILD

NOT ONLY AN EXCELLENT REPUTATION BUT FULLY ACCREDITED TO BS EN 9001/2000

We undertake a broad range of projects, from small maintenance and repair works to significant new build projects. Developing innovative solutions to meet our valued clients requirements in providing the optimum sustainable environmental conditions in their buildings.

From minor works to major developments Belfry deliver a full and comprehensive service to our clients encompassing all building service issues. We understand the needs of both developers and end users, ensuring a successful delivery of a first class product inline with budget expectations every time.

Our approach has always been to deliver work to the highest standard. This has been an important factor over the years in establishing Belfry's reputation for excellence and maintaining the company's success.

Belfry have achieved BS EN ISO 9001/2000 contractors quality standard. We are however conscious of the need to sustain and to continue to improve the delivery of our services, ensuring that all our contractual and quality requirements are consistently maintained. Our clients satisfaction surveys assist in our programme for continued improvement.

'BUILDING ON OUR REPUTATION'

BELFRY BUILD PARTNERSHIPS WITH THEIR CLIENTS WHICH ENABLES US TO UNDERSTAND AND RESPOND TO YOUR ISSUES - FAST. WHETHER THE REQUIREMENT IS OF A BUILDING STRUCTURE, INFRASTRUCTURE, FABRIC OR SERVICES RELATED NATURE - BELFRY CAN DELIVER THE SOLUTION

WE UNDERSTAND TIME AND COST ARE CRITICAL. THAT'S WHY BELFRY MAKE SURE THEY STAY ON PROGRAMME AND WITHIN BUDGET

We believe that only by consistently recognising and responding to the needs of our clients that the common objectives can be maintained and improved upon.

Whilst Belfry have built up a broad portfolio of projects, we apply the above approach to every single project.

We are committed to delivering the highest quality, on time and within the clients budget.

Through a wealth of valued expertise in our management team and retained trades, Belfry are able to bring a fully integrated approach to its delivery, which in turn brings enormous benefits for our clients in the timely delivery of projects.

With our planned and reactive maintenance services we are able to provide the right level of support at the right time, ensuring we can react to all our clients critical issues.

'BUILDING ON OUR REPUTATION'

OVER THE YEARS BELFRY HAS BUILT AN ENVIABLE REPUTATION THAT HAS UNDERLINED OUR SUCCESS IN THE INDUSTRY - BELFRY BUILD

MAINTAINING OUR EXPERTISE IS THE KEY TO OUR YEAR ON YEAR GROWTH AND SUCCESSFUL HISTORY.

Belfry Property Services as a company was formed in 1988 and has developed from strength to strength over that period, maintaining significant yearly growth. We now offer a complete 'in-house' solution for any building requirement.

The Company currently employs in excess of 50 staff covering all relevant trades and has grown substantially every year since formation. Our five year plan identifies further growth of approximately 20% per annum year-on-year.

We are proud of our strong reputation within the industry and the fact that our staff remain with us for far longer than the industry average.

Belfry continually invests heavily in staff training placing great importance on ensuring that our staff are competent and capable of managing their duties effectively.

To provide our clients with a consistent standard of product and services we have developed, and continue to evolve, close long term relationships with our suppliers. Our supply chain is regularly reviewed to ensure that service delivery always meets the highest standards and our clients needs.

'BUILDING ON OUR REPUTATION'

OUR SUCCESS IS - BELFRY BUILT - ON OUR ABILITY TO ATTRACT, RETAIN AND CONSISTENTLY DEVELOP A HIGHLY SKILLED WORK FORCE. OUR RECRUITMENT PROCESS AND STAFF TRAINING/DEVELOPMENT PROGRAMMES ARE DESIGNED TO ENHANCE INDIVIDUAL AND COLLECTIVE SKILLS TO ENABLE US TO CONTINUALLY IMPROVE AND BE PROUD OF OUR CUSTOMER SERVICE

THE SKILLS OF OUR WORKFORCE ARE CONSTANTLY UNDER REVIEW. THIS MEANS IF SOMETHING NEEDS DOING YOU CAN BE SURE WE HAVE THE SKILLS TO DO IT

Our training programmes are ongoing, working in association with CITB, the Federation of Master Builders, Construction Line and local colleges.

In addition to this we encourage and support all our staff in obtaining professional vocational qualifications, and to actively participate in continued professional development (CPD)

Health and Safety is managed at all levels within the company. We have, and will continue to ensure, that our safety performance is maintained at the highest level.

Our Health and Safety plans are constantly under review by our designated in-house safety team who continue to strive to improve employee awareness and on site control measures.

At Belfry we recognise that our operations do and will continue to have an impact upon the environment. We therefore operate in accordance with published documentation and ensure our compliance with all current environmental guidelines.
